Have I ordered the stages of Ordination and described them?	✓
Have I made links to symbols and actions?	✓
Have I made links to any of the Sacraments?	✓
Have I answered questions about priesthood using the prayer of consecration?	✓

1. The collation
 When a man feels God is calling him to be a priest he will have to be seen accepted by the bishop and will have to both to be a priest. After he will have to make a promise of celibacy and obedience to the bishop.

2. Holy orders
 At the end of training he still wants to be a priest he will be ordained - that is the sacrament of ordination. This is celebrated in mass and it is the bishop who presides the sacrament.

3. Gospel and Introit
 After this the pope and normally the ordinand is called returned from the parish family to parish.

4. The laying on of hands
 The bishop lays his hands on the head of the ordinand and ordination prayer and prayer of consecration and he will receive his stole and chalice.

5. Anointing and blessing
 The Bishop anoints the priest's hands with the oil of Chrism and then he is anointed and blessed. Now he is a priest and he will be blessed by the bishop's.

Dear brothers and sisters,

I have written to you to tell you about the coming King Emmanuel. There are probably so many expectations that you have but I know Jesus will send messengers to you. Every thing in God's beautiful world will rejoice when they see him. The wilderness will burst in to a bloom that will continue to open and spread will they are told to stop. God! you rejoice that, how beautiful it would be all over he gets here, that will look like nothing. There are sun of the ~~expectations~~ ~~expectations~~ things that will happen.

When Jesus arrives, blind people will be able to see his glory, the mute will speak his glory, the deaf will hear about his glory, the lame will hop and dance like the dumb will shout for joy. Deserts and dry lands will be glad and will fill with fresh water and wildlife. The waste lands will rejoice their trash and become lush jungle that will inhabit many plants.

There is so much more, I could write about but you may be wondering how I know all of this. Well it's because I've seen it all. All I needed to do was wait and spread the good news. I hope you are prepared yet the coming of our savior, Jesus.

Bless your soul my friend, God bless.
Yours sincerely
Isaiah

The Annunciation

This picture displays Angel Gabriel visiting Mary. It inscribes "The angel of the Lord declared unto Mary, used in the Angels. It says that Angel came to Mary and spread the Good News. I think

she feels honored because she was chosen

This picture is also the annunciation this time she's in a garden with an angel, rather his body glowing. Mary looks like she feels

unworthy of such a role.

This is the visitation. It displays Mary with Elizabeth Elizabeth is very dignous because she feels her

(everyone) to be fresh and anew.

In this picture, two people are praying the Angel in homage to Mary and her conceiving Jesus on March 25th. They seem happy that Mary will pray for sinner.

I would feel unworthy because I'm just God's servant and I wouldn't be worthy of carrying the Son of Man for nine months. But I would also be obedient because it would be wrong to disobey Him. Another reason why I would feel unworthy is that I'm a sinner and only God is good and perfect.

The Annunciation

In this picture, angel Gabriel has come to Mary and is telling her that she will birth the son of man. He is also saying that the God has given her the child and placed into her womb. I can tell by Mary's face expression that she is surprised, surprised and nervous because she feels very confused about what she was chosen but she is still grateful that she was picked by God. She might also be nervous about it, she is going to get pregnant by purpose. At this time in church we would say the Angelus to remind us about what Mary went through. This links to the scripture when Gabriel said 'do not be afraid' and when Mary agreed 'indeedly, to God's eyes'.

The Visitation

In this picture, Elizabeth felt her baby move at the moment's news. Mary told her. Mary and Elizabeth look very excited about news.

The Angelus prayer

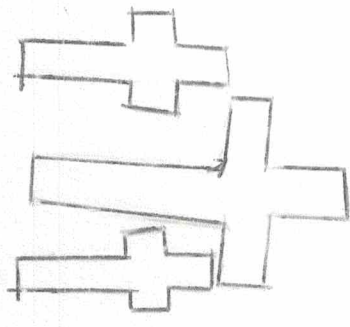

In this picture I can see people outside praying. The Angelus prayer, I can tell by their face expression that they are very concentrated on their prayer. We will always pray 15th March with Mary to remember how she was pregnant with Jesus.

I would feel shocked and happy to be born his son and I would also be curious about how I will cause him and if I do a prayer.

Jesus crucified?

is shocking and denigrating crucifixion

Thomas 10
The sky has
suddenly dark. It's
not
re. electricity
not. almost
the desert. More
and. get. So
to be. sure.
from. God.
and. it. be?

We have inked
the very smart
Thomas 10 to
converse with us.
People here witness
these crosses on
top of a hill in
Galilee. At one
point Mary, mother of
Jesus, spotted Jesus
soul rising up into
the sky.

We have also inked
witness Joseph from the
town of Arimathea
was the one who took
down Jesus, already
dead, and carried him
to an empty tomb
and lay him there.
We will all hourly
miss Jesus, but we
know that this whole
incident was for us. We
ignore up his soul so
we can be happy and
so can believe with
follow the path of
God.

Jesus is DEAD?

Jesus on the cross with thieves

By Mary V Z.

Hi, Breaking news!

Jesus is dead!

Yesterday at 3

o'clock, the Nazarene

died on an

extremely heavy

cross. Huge nails

were put into

his wrists and

ankles. Poor us!

Pilate made

a crowd of

Jews and put

it on Jesus'

head. The Jews

put it into

his skin so

he was

obviously

in pain.

Some were

terrifying!

He asked his

mother Mary

how she felt

when she

watched this

gory event. She

said: "My son,

is dead! What do

I do now? I got

from weeping on my

head. My son is gone."

He is gone.

What is our hope?

No light at the tunnel and of the tunnel.

Ruth, who was

near the event

told us - I didn't see

the whole thing in

detail, but I know it

he is dead. Although

I do know Jesus and

knowing him, he

will live again...

soon. Very, VERY soon.

And we believe that!

He will not be

dead for long.

So, possibly, the end of the tunnel is just around the corner. Maybe there is hope. Maybe... just maybe. He will not be gone. We believe it. Jesus will be alive.

Me Teacher

Have I described what happened on Mount Olive?

Have I included my thoughts and feelings?

Have I detailed how I will prepare to become a witness for Jesus?

EXT: Have I described how this is lived out today?

On ~~Mount~~ Mount Olive Jesus was with us when we asked 'Lord, will you at this time give the Kingdom back to Israel?' Jesus replied to us by saying, 'The times and occasions are set by my Father's own authority, and it is not up to you to know when they will be. But when the Holy Spirit comes upon you, you will be filled with power, and you will be witnesses for me in Jerusalem, in all of Judaea and Samaria, and to the ends of the earth.'

After Jesus said this, ~~Jesus~~ ^{he} was lifted up his feet into heaven and we all ~~stare~~ looked at him in awe. Soon, he was hidden out of sight by a large cloud. As we were walking down the mountain I decided that I was going to do as Jesus told me to do and I would spread the ~~good~~ ^{good} news. I ~~was~~ still ~~quite~~ ^{quite} shocked about what I saw but I am determined to ~~spread~~ ^{spread} the ~~good~~ ^{good} news to my ~~other~~ ^{other} teachers and friends.

I am right now heading towards the local inn to talk to the people about what I saw and teach them what Jesus has taught me. When I am done in the inn I will go to the upper room to prepare with the other apostles.

This is lived out today by singing hymns (like the ~~other~~ ^{other} psalms) or prayers (like the creed). We would also in church have the ~~other~~ ^{other} eucharist.

Have I described the way(s)?

Have I made links to Christian sources and beliefs?

Interviewer: When would you pray and why?

Lydia: I would pray when I'm worried, in pain or sad. And also I would pray the whole rosary at night, and before every meal.

Interviewer: What other things would you do in favour of worshipping Christ?

Lydia: I would donate clothes and food to the poor and I would spread the word of God.

Interviewer: Why do you do this?

Lydia: I do this as I believe God and Jesus are our saviours and that without them the world would have started. We need more and more people to hear the word. Without me hearing the word I wouldn't have been so happy, kind and worshipping.

Interviewer: Do you put faith before anything else?

Lydia: Yes, I put worshipping and loving God in front of any wants and I worship God for being having a chance to have good friends, work and family.

Interviewer: Do you think it is risky to be a follower and a worshipper of God? Especially mentioning that you are a woman.

Lydia: It is hard. Doing successful things will always be hard. You might get some dirty looks while spreading the word. And yes, I am aware about gender equality but someday we will get it. It's all in God's will. For now and forever we should put faith above all for that to happen.

Interviewer: What has this experience taught you?

Lydia: It has taught me that anything is achievable with the help and ~~trust~~ faith of God. We are all God's children and after death we will come back to His hands. We should put faith above all and ~~prayers~~ ^{prayers} above ~~it~~ praying and need above greed. That is all I have to say ~~for~~ about this subject.

Interviewer: Thank you.

Lydia: You are sincerely welcome!

Interviewer: Do you like pizza?

Lydia: Yes, it's yum.

OLI: To describe how the paschal candle helps to represent the celebration of new life at Easter. Tuesday 30- March 2021

Steps to success	Me	Teacher
Have I made notes about the Paschal Candle, including its significance?		
Have I identified how during Lent, children have died to their old ways and grown into the new life of Easter?		
Have I made links to how these new ways will help shape my life?		

The ceremony of lighting the Paschal candle is one of the most solemn moments of the Easter Vigil on Holy Saturday.

On the same ^{day} special and sacred fire is lit that represents the rise of Christ whose light dispelled in the darkness.

The Paschal candle is the first one to be lit. It is the one from which all other lights are taken.

In most cases today the candle the Greek letters: alpha and omega (kinda like A and Z) which mean "Christ is at the beginning and the end of all things."

There will also be a cross which represents Jesus and his eternal life.

Cross of insence: They represent the 5 wounds of Christ. Jesus reminds us of God's presence here and now.

I have died to my old ways by stopping doing stuff I did and I have grown into a new life by doing good stuff

It will help if you're kind and helpful then people will acknowledge you as a good person.

I think the Paschal candle helps to represent Easter.

Represents the light of Jesus that he gave to us.

Alpha & Omega:
It means from A-Z saying "Christ is at the beginning and end of all things."

Fire:
Represents Christ's resurrection.

Cross:
Represents Jesus and his crucifixion.
